

# 2018 eco-film series: Taking Action

**Addicted to Sheep**  
January 30, 2018  
6:30 pm

*fiber / farming*

<http://blueprintreview.co.uk/wp-content/>

Immerse yourself in a year in the life of the Hutchinson family. Experience the ups and the downs of what it means to be a sheep farmer as one family continues their quest to breed the perfect sheep. This film is sponsored by the Lowell Cultural Council. (58 min + 10 min short, *The Kelp-eating Sheep of North Ronaldsay*)

**A Plastic Ocean**  
March 27, 2018  
6:30 pm

*ocean conservation*

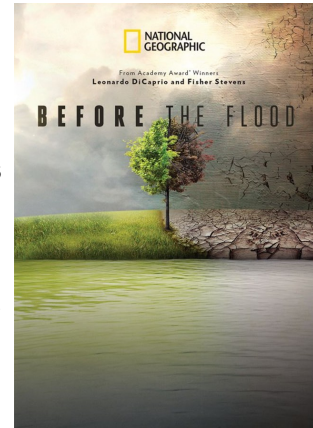

<http://www.imdb.com/title/tt303824/mediaviewer/mv076261120>

Craig Leeson's search for the elusive blue whale turns into something much bigger as he discovers plastic waste in what should be pristine ocean. *This film is presented in partnership with Sustainable Westford* (102 min).

**Before the Flood**  
May 29, 2018  
6:30 pm

*global sustainability*

<https://7d0.scene7.com/is/image/NationalGeographic/1075623>

*Before the Flood*, is presented by National Geographic, and features Leonardo DiCaprio on a journey as a United Nations Messenger of Peace, traveling to five continents and the Arctic to witness the Earth's recent dramatic changes firsthand (96 min).

**Citizen Jane**  
February 27, 2018  
6:30 pm

*urban planning*

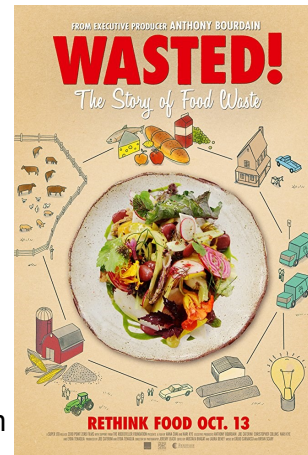

<https://target.scene7.com/is/image/Target/2348197?w=520&h=520&fm=jpg>

In celebration of Women's Week, Citizen Jane tells the powerful story of the impact one person can have when they become engaged in their community. Special discussion will be lead by Dick Howe following the film. (92 min).

**Wasted: A Story of Food Waste!**  
April 24, 2018  
6:30 pm

*food sustainability*

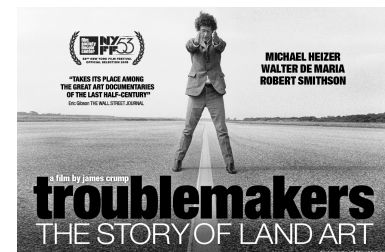

<http://www.imdb.com/title/tt6207966/mediaviewer/mv08921360>

This film sheds light on the pressing issue of food waste. Executive Produced by author and chef Anthony Bourdain, the film doesn't just focus on the problem, but offers solutions on how we can create a more sustainable food system. Special discussion after the film lead by Lowell Public High School students (85 min).

**Troublemakers**  
June 26, 2018  
6:30 pm

*land art*

<http://troublemakersthefilm.com/>

Troublemakers unearths the history of land art during the 1960s and 1970s. This film tells the story of pioneers willing to risk their future careers on radical change and experimentation on the landscape (72 min).
