

# Demystifying the Changing Climate

Climate change is about you, your family's health, and your children's future. What does climate change look like on a local scale? How do we move forward in this changing climate?

Join us for a special presentation by Alexandra Vecchio, Mass Audubon's Climate Change Program Coordinator, as we demystify the changing climate.

To RSVP or for more information email [Emily@LowellLandTrust.org](mailto:Emily@LowellLandTrust.org) or call (978) 934-0030

**Tuesday,  
November 13,  
2018**

**7 pm**

**Pollard  
Memorial  
Library,  
Lowell, MA**

**Community  
Meeting Room**

LP&CT will have a brief Annual Meeting at the beginning of the presentation. Light refreshments will be provided.
