

# 2019 Eco-film Series: Our Common Ground

## An Inconvenient Sequel

January 29, 2019  
6:30 pm

*Changing Planet*

A decade after *An Inconvenient Truth* brought the changing climate into the heart of popular culture, former Vice President Al Gore continues to pursue the idea that while the stakes have never been higher, the perils of climate change can be overcome with human ingenuity and passion. (99 min)

## Flint Rising

April 2, 2019  
6:30 pm

*Water*

The water crisis in Flint, Michigan is still going on. Our **guest speaker** will be Gina Luster, co-founder of Flint Rising. We'll view recent documentary footage from a variety of sources about the crisis. What if this happened in your backyard? Could you do what Gina's done?

## Age of Consequences

May 28, 2019  
6:30 pm

*Climate & Conflict*

*The Age of Consequences* investigates the impacts of the changing climate on increased food and water shortages, migration, and conflict through the lens of US national security and global stability. (80 mins)

## JANE

February 26, 2019  
6:30 pm

*Women and Wildlife*

*Jane* celebrates the story of Jane Goodall, a woman whose research on chimpanzees challenged the male-dominated scientific consensus of her time, and revolutionized our understanding of the natural world. (90 min)

## Landfill Harmonic

April 30, 2019  
6:30 pm

*Recycling*

*In partnership with Lowell Solid Waste & Recycling and MA DEP*

*Landfill Harmonic* follows the Recycled Orchestra of Cateura, a Paraguayan musical group who live next to one of South America's largest landfills. This unlikely orchestra plays music from instruments made entirely out of garbage, recycling trash and inspiring dreams. (Spanish with English subtitles, 88 mins)

## Mountain

June 25, 2019  
6:30 pm

*Adventure*

*Mountain* is a unique cinematic and musical collaboration: an epic odyssey through Earth's most awesome landscapes showing the spellbinding force of high places - and their ongoing power to shape our lives and our dreams. (74 mins)
